The course is 18 weeks, with a total of 45 days of in-class instruction. In this class, students will explore both fundamental political concepts and AP Comparative Government and Politics A legitimate system of government is one based on authority: that is, those subject to its rule recognize its right to make decisions. State is a political community formed by a territorial population subject to one government. Difference state and government: The state creates a mandate for rule which the government then puts into effect. Summary Comparative Politics, Rod Hague and Martin Harrop ...
