ISBN 978-953-51-0218-2, PDF ISBN 978-953-51-5682-6, Published 2012-03-14 Cryptography will continue to play important roles in developing of new security solutions which will be in great demand with the advent of high-speed next-generation communication systems and networks. Applied Cryptography and Network Security | IntechOpen Stallings presents an updated education on cryptography. With a secondary emphasis on network security. In the cryptographic sections, there is a strong mathematical flavour. The narrative is not a high level, management-type discussion. It favours the professional mathematician and programmer, and ideally the intersection of these two skill
