Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. This Workbook provides extra language and skills practice for use both in the classroom or at home.

While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.
