2020 Like “rationalism” and “empiricism,” “existentialism” is a term that belongs to intellectual history. Its definition is thus to some extent one of historical convenience. Existentialism (Stanford Encyclopedia of Philosophy) Existentialism is a concern about the foundation of meaning, morals, and purpose. Existentialisms arise when some foundation for these elements of being is under assault. In the past, first-wave existentialism concerned the increasingly apparent inability of religion, and religious tradition, to provide such a foundation, as typified in the writings of Kierkegaard, Dostoevsky, and Nietzsche.
