Users can own virtual pets ("Neopets"), and buy virtual items for them using one of two virtual

currencies. One currency, called Neopoints, can be earned within the site, and the other, Neocash, can either be purchased with real-world money, or won by chance in-game. Neopets - Wikipedia The Neopian Pound is where users can abandon, adopt or transfer Neopets. Visit the pound through the Pet central drop down list at the top of the page. Pets always cost a little to adopt, with the number increasing depending on how high their stats were, particularly the level stat. Neopian Pound | Neopets Wiki | Fandom Unconverted neopets are in high demand these days. They can be traded for pretty much any pet that you could dream of on the Pound Chat. While some users frown upon the objectification of these rare

pets, they are seen as status symbols (much like draiks or krawks) and rich/old players are their most common owners.
