Nextbook 8 Is Stuck On Faulty Battery. If the device powers off and will not turn on after being charged, then locate the volume key and power key. Press down on both of those buttons and wait for a response. Plug in the power cable to continue to charge the battery for approximately 3 hours and then power the device back on. Nextbook NXA8QC116B Troubleshooting - iFixit This just happened to my Nextbook. This worked for me like a charm. 1. You have to take the back cover off first. 2. Look for the power connector (it's white leading from the battery). 3. You have to carefully disconnect the power connector from the tablet for 25
