Historians risk conceptualizing naval power in the American Revolution as a sort of deus ex machina, with fleets appearing at the right side of the map and then disappearing just as mysteriously until the next round. Book Review: The Struggle for Sea Power THE STRUGGLE FOR SEA POWER 2 that lay before her. Slowly and surely, from this time onwards, she stretched forth her arms over the broad seas that had once been her barriers, until, by her untiring energy, she won for herself an empire "on which the sun never sets."
